ROTARIANS EXCHANGE
HARD LUCK STORIES

Hard luck in all its phases was
vividly portrayed yesterday at the
St. Jim's meeting of the Rotary
club when members of that organ-
ization gathered at the Arizona club
and exchanged tales of woe. Each
man was given one minute in which
to tell how he got his start in his
present line of business and the one
piece of worst luck in his life.

The prizes for the best replies
were given by the Bertram Electric
Company. The first prize went to
E. A. Trincano, the second to T. J.
Whitney and the third to Vic Har-
nys. Owing to the failure of A. A.
Belts to sing as scheduled, E. A.
Trincano, having displayed his know-
ledge of efficiency, rendered a num-
ber entitled "Has Anybody Here
Seen Our Cat?" Mr. Trincano apol-
ogized for appearing on the pro-
gram another time, but stated that
he had tried in vain to teach the
song to the former president of the
organization.

Dr. Northrup presided at the
meeting.

FINANCES AND
MARKETS

[ASSOCIATED PRESS DISPATCH]
NEW YORK, Aug. 13.—An over-
night decision by the interstate com-
merce commission directing sweeping
reductions in the rates now charged
by the anthracite railroads was an
event of primary speculative impor-
tance in the market. Shares of the
companies most concerned registered
initial losses of from two to six
points, the balance of the railway
portion stood close with a heavy
underdone, and new high records for
the day included Willys Overland,
196, and Studebaker, 95, the former
scoring a maximum advance of 18
points. Total sales aggregated \$65-
000 shares. A significant feature
of the day was another sharp break
in exchange on London and Paris to
the lowest ever recorded since New
York became a financial center. The
demand for sterling fell to \$4.704, or
21½ cents under yesterday's min-
imum. Paris checks 5.89 showed a
depreciation of six cents from the
low rate of yesterday. The par value
of sales aggregated \$2370,000. United
States coupon 4s declined one-
fourth on call.
